| Phase | 1ph |
| Max Current | 13A |
| IP Rating | IP55 |
| Control Circuit | 24vdc |

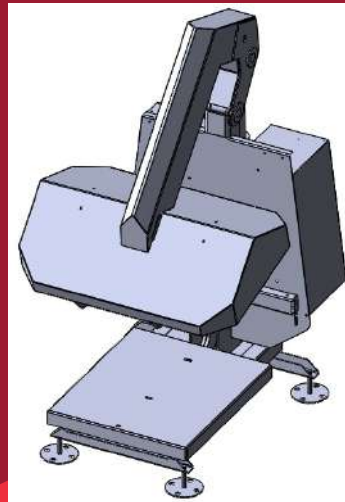

Machine Specification

| | |
|------------------|----------|
| Compaction Ratio | Avg. 3:1 |
| Compaction Force | 3 tonnes |
| Motor | 1.1kw |
| System Pressure | 85 bar |
| Cycle Time | 27 secs |
| Pump | 7 lpm |

“ This Bin Press has really helped our company a lot in saving space by reducing our bins for general waste and recycling. It has made great savings also. This has been a God send for us and we would certainly use Pearce Compaction Systems again if we needed any more equipment.
